Re: Stewart's Shops, 1560 Central Avenue, Albany, NY 12205

On behalf of the Village of Colonie, I would like to inform you that in the coming weeks, Stewart's Shops located at 1560 Central Avenue, will be preparing to perform the water installation and curb cuts to their project.

To attempt to minimize traffic concerns, Stewart's is working with State DOT to try to perform the construction needed in the evening hours, however, there will still be road closures and detours in the area of Lincoln Avenue.

Stewart's will be performing the water connections by way of a live tap, which should cause no loss of water to local residents, but may cause water disruptions such as discolored water due to sediment disturbance. This discolored water is not harmful, but we would like to suggest if you run your cold water tap for 10 minutes, it should clear the discoloration.

If you should have any questions, please contact Village Hall at 518-869-7562.

Thank you.

Thomas J. Tobin  
Mayor
