Deputy Mayor Sim stated that the Village applied for a grant from Assemblyman Steck's office for highway equipment, to which we will be reimbursed for proposed purchases that we would like to expending out of the Capital Reserve. Deputy Mayor Sim listed the items: zero turn lawn mower, 1-ton dump truck with salter, and attachments for the multihog, a salter and a mower deck.

Resident Trifiletti asked if these purchases will cause a tax increase, to which Deputy Mayor said that these purchases are not coming out of the operating budget, and again noted that these purchases will be reimbursable through the grant.

Resident Potter mentioned the advertisement did not list the specific items to be purchased, which was noted by the Clerk for future advertisements.
