Dear Committee Members:

Subject: Concern About Speeding Cars on Kenjack Terrace

I hope this letter finds you well. I am writing to express my concern about the increasing number of speeding cars in my neighborhood, particularly as cars round the corner of my property at 12 Kenjack Terrace. I feel this is becoming a serious safety issue for residents, especially children, pedestrians and pets.

I see that the Village takes speeding seriously as you have installed solar speeding signs and used lawn signs to make drivers aware of their speed. I kindly request that the village look into whether some of the same measures may be used in my neighborhood.

Thank you for your attention to this matter. I hope to see some action soon to ensure the safety of my family.

Sincerely,

Laurie Luizzi
